(c) The Central Government, in conjunction with the State Governments, is committed to combating all forms of terrorism. The Government has pursued a multipronged strategy to counter terrorism which includes initiation of a dialogue with the groups willing to abjure violence, accelerated social and economic development of the affected areas and effective and sustained police action.

In order to tackle the menace to terrorism, the Central Government has taken various measures such as galvanizing the intelligence machinery, monitoring of well coordinated intelligence based operations, srengthening of the borders, modernization of State Police Forces & CPMFs, regularly sensitizing the State Governments about the threat perceptions due to likely terrorist activities and supplementing the efforts of the State Governments in improving the social and economic conditions of the affected areas.

Introduction of bar code and rf in textile sector

*51. SHRI K. RAMA MOHANA RAO: Will the Minister of TEXTILES be pleased to state:

(a) whether Ministry have any plan to bring bar code and radio frequency technologies under the ambit of Technology Upgradation Fund Scheme (TUFS);

(b) whether it is a fact that the textile exporters are also demanding the same for sometime now in the Post-Quota regime; and

(c) if so, how bar coding and radio frequency technologies help in increase, maintenance and quality and identification of product by exporters?

THE MINISTER OF TEXTILES (SHRI SHANKERSINH VAGHELA): (a) No, Sir.

(b) No, Sir.

(c) Does not apply.
